Student Achievement Awards 2021

To: Presidents and All Members
From: Domenic Bellissimo, Associate General Secretary – Professional Services

For Information

OSSTF/FEESO is pleased to announce the opening of the annual Student Achievement Awards. **This year, our Student Achievement Awards theme is “Kindness is a Renewable Resource.”** Two bilingual posters and information documents were delivered to each workplace in September to promote both the \$1,000 provincial prizes and this year’s theme. Included in each package sent to workplaces was an infographic outlining the application process and a student announcement template to generate interest in the school.

We are encouraging students with the support of an OSSTF/FEESO member who has worked directly with them, to submit an original piece of writing, visual art or media based on this year’s theme, **Kindness is a Renewable Resource**.

Schools must submit their winning entries to local district offices no later than November 20, 2020. District Offices will then submit their winning pieces to the Provincial Office by December 8, 2020. Finally, provincial winners will be acknowledged and celebrated virtually in 2021.

Guidelines and entry forms for the Student Achievement Awards are available online at <http://www.osstf.on.ca/studentachievementawards>.
